Description

Inspired by Japonism with its naturalistic decor released with the acid of ginkgo and ferns in the purest Art Nouveau style, our pedestal cup with 4 hot-drawn tips rests on a pedestal. Ginkgo leaves and fiddleheads of green ferns are spread over the satin yellow, green, white and opalescent background for the most beautiful rendering! Art Nouveau period, early 20th century. Beautiful naturalist signature in cameo at the base. Very nice proportions, superb color contrast. Not to mention its incredible crystalline sound!
