### Description

Beautiful modern painting around 1930/50, signed lower right Raymond François (Ardennes painter) representing a lively Parisian view at night. Beautiful expressionist composition with a plunging frame, made from number 120 of the Champs Elysées, featuring characters on the terrace of Georges V, and further on the Lord Byron cinema, which has now disappeared. Very small paint withdrawals in the sky without gravity, exhibition label on the back on the frame. All in good condition, see photos. Total dimensions: 55 cm x 47 cm
