Description

Marine painting (oil on canvas) representing an outing to sea from the plasters of Villerville (Calvados) from the beginning of the 19th century. Very nice composition with 3 platters under full sail in a stormy sea with a big blue sky. A canoe accompanies these three boats. This painting has just been cleaned and refinished. The colors have very beautiful contrasts as the painters of the beginning of the 19th century under the 1st Empire knew how to do. Beautiful dimensions (105 cm wide x 72 cm high) Other paintings are visible on our site. Welcome to our store in Nice opposite the Masséna museum and just behind the famous Negresco hotel.
