Description

A PUG in painted and gilded enameled porcelain
From the end of the 18th century to the beginning of the 19th century A small piece of the bow is missing I took a photo of the underside of the mouth to show you that it is not a crack!... But rather the joining of the molds during manufacture... Some minor wear to the gilding...
Manufacture: SAXE - GERMANDE It is a good size, when you find them they are often smaller...! Weight...363g
