Description

Champagne bucket in crystal from the 70s.
Superb model with very deep patterns in very thick crystal.
The strapping has round handles, it is adorned with a small beaded around, very discreet. It is original chrome with a few very discreet bites.
Note a slight unfortunate shock of the bottle inside the circle (visible in the close-up photo), a sign of regular use.
This model has an inside diameter to accommodate very swollen bottles (13cm).
Flawless crystal.

Dimensions: Height 21.5 cm
Lower outer diameter 15 cm
Upper outer diameter 19 cm
Width with handles 24 cm
