Description

E. RAMUS - Grenoble 1912. Man in traditional Japanese Kimono, umbrella and fan. Very large original photograph, silver print, background colored blue, signed lower right in pencil "E. Ramus - Grenoble 1912", mounted on old thick cardboard. Dimensions of the photograph: 840 x 580 mm ! Edges of the photo rubbed by an old frame, small retouching of gouache on the right hand, very nice copy otherwise. Photograph of a very unusual format for the time, representing a man with a strange resemblance to Pierre Loti, disguised in a traditional Japanese Kimono, with a fan and a large paper umbrella, oboko on his feet (traditional Japanese sandals intended for geishas). We couldn't find any information about the photographer.
