### Description

Series of 6 original chairs dating from the 1980s with a very good quality of design and production in resin marquetry inspired by "eggshell" marquetry. These high-backed chairs evoke French Art Deco work from the 1930s, notably taking up the lines of neoclassical design in the style of Jean Dunand. With a very beautiful presence, this set joins the design to the sculptural; the curved backrests and the mosaic technique enhancing the reflections of light on the chairs are of definite interest. Seat height: 45 cm. Back height: 100 cm. Depth: 44 cm Width: 44 cm.
