Description

Sprinkler composed of a glass body with cut sides and facets, and its silver metal cap.
The two are assembled by a screw system.
Very good condition, no accident on the glass or slight scratches from use on the silver metal part.
Possibility of managing the output flow by a screwing system, the more it is targeted the less the flow is important and vice versa.
French work from the 20th century, from the famous Christofle house, hallmarked Christofle France in full.
