Description

Superb mantelpiece set in Yellow Sienna Italian marble and patinated bronze, consisting of a large clock surmounted by a sculpture depicting a woman in the antique style and a pair of cassolettes on a pedestal, forming Medici vases. The clock is made on 3 levels of marble. In the upper part, a large bronze representing a young woman, draped in her toga, her hair girded with a crown of flowers topped with a large bow, is leaning on the clock. Books placed on it imply that the young woman is reading it. In the middle, a horizontal block of marble is decorated with ornamentation in patinated bronze, forming scrolls and palmettes. Below, the yellow marble plinth benefits from a large bronze frieze chiseled with foliage in the upper part and rests on four bronze feet, formed of large scrolls. This large
