

## Large Tourniquet For Surgical Amputations

1 500 EUR

Signature : GALLO

Period : 19th century

Condition : Etat d'usage

Material : Brass

### Description

Large tourniquet for surgical amputations. the "Napoleon's hat" shape makes it an extremely rare and decorative object together with its mechanical details - The dimensions are larger than normal and I have inserted a photo to compare it to other Tourniquets (available for sale). the two external faces have been cleaned to bring out their beauty, while the inside is still oxidized.
