

## Napoleon III Cigar Cellar, 19th Century

420 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 21 cm

Width : 21 cm

Height : 25,5 cm

### Description

Five floors fitted with brass buttons are concealed under a curtained façade in perfect condition. This cigar humidor in stained wood and brass threads is in good condition, the curtain works very well and it closes with a key, brass threads all around, one of the sides has a few marks, very good general condition around 1880
