Important Porcelain Biscuit Group

520 EUR

Period : 19th century

Condition : Bon état

Material : Biscuit

Width : 30cm

Height : 23cm

Depth : 20cm

Description

This important polychrome biscuit, in very good condition, represents a gallant scene from the 18th century. The finesse of the laces and the expression of the faces is superb. I only found a small accident (missing little fingertip to the man). Crown mark below.
