### Description

Series of nesting tables in bronze and gilded brass in the neo-classical style by Jansen. Very nice set in excellent condition taking up the Louis XVI style in a more modern way updated completely in the style of this famous house which decorated the most beautiful interiors of the 20th century. Presence of smoked and black lacquered glass tops around the perimeter giving a stylish and very elegant character overall. Rare furniture on the market in this original condition. Possibility of sending in France and all over the world.
