Description

"Pop" - "Little Albert" armchair by Ron Arad in hand-decorated and colored polyethylene, then lacquered, signed Amane. The fresh, colorful and pop décor created by artist Amane is inspired by the curves and lines of the armchair, giving this unique piece a truly modern touch. One-piece seat and back form a flat base. With its contemporary graphic lines and the geometric purity of its structure, the "Little Albert" armchair - one of the designer's major and emblematic pieces - is highly original. Very light, it can be moved from the living room to the terrace. The oval opening in the backrest makes it easy to handle. Its wide seat and flowing lines ensure optimum comfort.
