Description

A large decorative round dish In black ceramic with a creamy enamel revealing the black earth To a few other colored enamels... From the 1960s Unique piece (having seen nothing similar) In good condition, no cracks, just a chip of enamel on the edge that can be restored (see photo) and a mimi on the outer edge... And one on the strapping that serves as a foot (which I think is a manufacturing one) Signed. BESSONE - VALLAURIS - HANDMADE - SGD...

Weight...1 kilo 680 gr
