4 800 EUR

Period : 18th century

Condition : Bon état

Material : Terracotta

Width : 37

Height : 149 totale

Depth : 26

### Description

Pair of rare terracotta busts representing a faun and a faun, these busts (from the Directoire period) rest on a pair of terracotta sheaths and on a counter-pedestal from the 19th century, the set was previously placed outside, which explains the "marks" of plaster ... and returned in winter to "avoid" freezing Beautiful objects, in their old patina, very decorative
