Condition : Très bon état

Material : Gold

Description

Discover this white gold solitaire, a timelessly elegant piece of jewelry designed to set off a magnificent white diamond. This solitaire has been meticulously mounted to capture and reflect light optimally, magnifying the diamond's natural beauty.

The brilliant-cut white diamond, with a weight of 0.2 carats and a G color, is the protagonist of this solitaire. Its dazzling brilliance and crystalline purity give it a majestic allure. The brilliant cut was chosen to maximize brilliance and light dispersion, creating a firework display of sparkle with every movement.

The solitaire is designed to highlight the diamond, minimizing visual distractions. White

gold, weighing 2.2 grams, provides an elegant and discreet setting for the diamond. Its neutral hue allows the diamond to shine brilliantly, while its robustness ensures the protection and longevity of this precious jewel.

This solitaire is suitable for a French cut of 54, an American cut of 6 3/4 and a British cut of N. This makes it a versatile choice for different regions and ring cutting systems.
