Description

Let yourself be charmed by the radiance and glamour of this magnificent 18-carat gold Dome Ring, adorned with 54 brilliant-cut diamonds. Carefully crafted in compliance with 1st Dibs benchmarking criteria, this ring embodies elegance and luxury at their finest.

The design of this dome ring is both imposing and striking, giving it a remarkable presence on the hand. The ring is beautifully crafted in 18-carat white gold, adding a touch of sophistication and luminosity to the ensemble. The white gold also provides an elegant contrast with the sparkling sparkle of the diamonds.

The particularity of the dome ring lies in the way the stones are arranged. In this model, the 54

brilliant-cut diamonds are skilfully set on top of the dome, creating a sparkling surface that captures and reflects the light spectacularly. These diamonds, selected with the greatest care, total around 4 carats, offering exceptional brilliance and purity.

This dome ring is a tribute to the aesthetics of the Art Deco era, when platinum or white gold jewelry was particularly prized. The use of 18-carat white gold in this piece underlines the timeless taste for sophisticated, contemporary design.

With a total weight of 21.6 grams, this ring is both solid and comfortable to wear. Every detail has been meticulously thought out to offer you a high-quality piece of jewelry, designed to last and be admired for many years to come.
