

Baumann By Snsa - Wooden Wave Screen Circa 1950

900 EUR

Signature : Jomain BAUMANN par SNSA

Period : 20th century

Condition : Bon état

Material : Other

Width : 147,5cm

Height : au plus haut 1m50 - au plus bas 143,5cm

Description

Screen in wood with an eventful cut-out formed of a succession of articulated pitchpin slats. This screen folds up and rolls up on itself, making it easy to transport. This type of screen was used in the 1950s in stores or businesses as a room divider. It is in good condition. Has a few small traces of white paint in places but, with a good cleaning, they will go away.
