

Baccarat Cooler Carafe Frosted Glass

200 EUR

Period : 19th century

Condition : Etat d'usage

Material : Glass

Width : 14 cm

Height : 30 cm

Description

Very nice refreshing decanter in frosted glass from Baccarat (unsigned). The outer part was designed to put ice cubes in order to keep the container fresh without dilution. Good general condition, a chip is however to report under the part receiving the ice cubes.
