Description

Honorary Medal in 18-carat Yellow Gold in
Portois House

18-carat Yellow Gold Honorary Medal

Square-shaped medal representing two men
named: A.PORTOIS. and A.FIX their portrait is
very finely chiseled. On the other side a staircase
decor framed by a library corridor with a name
certainly of firm or laboratory P.SACRESTE and
two dates 1881 and 1891. We have not
discovered the history of these two good men.
Maybe, will you recognize them?

The set measures 3 centimeters by 3 centimeters
of sides or 1,181 inches / 1.181 inches each side.

The original box is patinated but still in very good

condition.

There are intertwined initials at an angle on the side of the portraits a large S and a large A at the opposite angle of the bail or hanging ring.

I love this medal which was certainly made to congratulate a life of work.
