

Eighteenth Moustiers Plate Mythological Decor

750 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Diameter : 25,5 cm

Description

Beautiful earthenware plate from Moustiers from the 18th century, with mythological decoration. The central medallion represents Neptune on a dolphin, and the wing is decorated with a frieze of flower garlands. A note: a slight crack and an old restoration on the wing to resume. Diameter: 25.5cm
