Description

Here is a very pretty maternity ward painted in 1960 by the Belgian painter Jean Vervisch (1896-1977), a pupil of H. Ottevaere in Brussels and friend of James Ensor. It is an oil on panel with great delicacy of lines and a certain refinement of the colors. The work is in perfect condition and its period framing is of high quality. The painting is dated and signed. Lots of aesthetic pleasure for an affordable price.
