# Helmeted Character - Jean Plotin

450 EUR

Signature : Jean PLOTIN
Period : 20th century
Condition : Très bon état
Material : Bronze
Width : 9
Height : 15
Depth : 4,5

## Description

Bronze probably representing Vercingetorix with a beautiful brown patina signed PLOTIN under the left shoulder. The character is wearing a winged helmet, the hair is long and the torso is draped with a medallion on the front representing a shell. It is placed on a pedestal forming a single piece engraved on the front with a laurel leaf. Very fine proof of spectacular quality.
