

Pair Of XIXth Sheet Metal Lamps.

900 EUR

Period : 19th century

Condition : Bon état

Material : Painted metal

Width : 23 cms à la base.

Height : 83 cms.

Description

This pair of large sheet metal lamps is reminiscent of small floor lamps... They are in green painted sheet metal, the bases are in blackened wood. The electricity has been completely redone with silk cords and decorative bulbs. We have two other identical lamps, see photos. Delivery possible, please contact us.
