

Terracotta, Djenné Culture, XI - XIVth Century, Mali

500 EUR

Period : Before 16th century

Condition : Etat d'usage

Material : Terracotta

Height : 14 cm

Description

Oblong-shaped terracotta with a snake and chevron decoration. Two holes are present (one at the bottom and the other at the top). The function of this object is unknown, perhaps it was for religious or funerary use.

It is a very beautiful testimony to ancient African art.

Terracotta, H: 14 cm

Djenné culture, XI- XIVth century, region of the interior delta of Niger, Mali.
