

Pair Of Blue And White Porcelain Plates Decorated In The Antique Style, 19th Century - Ls2787601

750 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Length : 20 cm

Width : 28 cm

Description

Pair of rectangular plates in porcelain representing antique scenes on cartouches with languished odalisques and nymphs and surrounded by putti in greyness. First frame in the medieval style and gold color; second one in celestial blue, reminding the color created by the chemist Jean Hellot for Vincennes Manufactory and the Louis XV celestial blue porcelain set. French work realized circa 1830.
