Description

A small chest of drawers In walnut and rosewood veneer marquetry, ebony and various The marquetry is of great finesse... It must have required many hours of work... From the beginning of the 19th century FRENCH provenance In the state Full of defects and lack of materials A foot has been glued But despite all these concerns the whole is pretty... And above all rare, unique piece... Of course an experienced cabinetmaker can improve it... Two functional drawers The top one in decoration or perhaps glued because there must have been secrets... Because there is a double bottom The bronze buttons... Weight...2 kilos 379 gr
