### Description

Bureau plat in mahogany marquetry and kingwood Louis XV Transition style. Cubic marquetry known as the queen for this very elegant middle desk with three belt drawers. The four arched legs are adorned with very finely chiseled gilt bronze scraps over the entire height of the base finished with gilt bronze clogs. The tray surrounded by marquetry houses in its center a silk protected by a glass plate. This desk is accompanied by its armchair with the same characteristics to form a set!. It is Louis XV Transition style in marquetry enhanced with gilded bronze, curved front, horseshoe back upholstered like the seat. Dimensions of the desk:

Length 128cm / height 76cm / depth 71cm

Dimensions of the armchair: Width 58cm / seat

height 47cm - backrest 80cm / depth 60cm
