### Description

An astonishing stamp of city Or "TOWN HALL"  
In chiselled bronze Of good quality, with  
beautiful carvings... In good condition The  
inscriptions are in Gothic letters.. That is why I  
announce it GERMAN or SCANDINAVIAN..  
Subject because I've never had such an object...  
There are two photos so a reversed one easier to  
decipher and understand... I read TULL NILS  
SAINT TABRMONAFUS To be checked...  
Weight...58 gr
