1 800 EUR

Signature : Ole Knudsen & Torben Lind

Period : 20th century

Condition : Bon état

Material : Rosewood

Width : 95

Height : 44

Depth : 95

Description

Vintage Scandinavian corner coffee table by Ole Knudsen & Torben Lind for the famous publisher France and Son. Table original by its design, it is of good quality entirely in rosewood of Rio. Magnificent color contrast between the yellow rosewood on the top and the dark rosewood on the frame and the base. The veining is particularly beautiful on this model. The base is in solid rosewood. Quality assembly. It is marked under the board by the publisher.
