Description
-------------

I offer you this high quality chandelier from the famous house. IT is made of gilded bronze in very good condition of gilding. Very difficult to render in a photo, at least by me! Electricity in very good condition and compliant. From a 17th or 18th century model. I do not have a chain because customers have reused the existing one. It was a classic chain covered with black velvet trimmings. Chandelier paid very expensive at the time by the mother of the seller.
