Description

Three pretty old 18th century doors to be used as communication doors or wall cupboards for example (total linear excluding frame of 342 cm)

In photo 1, from left to right :

- door 1: height 244 cm width 121.5 cm
- door2: height 244 cm width 121.5 cm
- door3: height 244 cm width 90 cm, with frame height 257 cm width 116 cm

Very harmonious design with the small central panel, pleasant identical moldings on both sides.

Stripping, preparation question us, the hinges of doors 1 and 2 can for example be changed for a lighter appearance of the doors.
