organize our supply schedules. We can prepare to measure all the structural parts for possible repairs to the roofs of your property in order to avoid excessive losses, or assemble a complete framework for a partial one-off restructuring or a new construction. We compose all French-style ceilings, such as half-timbered, or small roofs for patios, barns or "old-fashioned" garages. We offer you all the advice for implementation in order to avoid irreparable errors. We are available for any additional advice. If necessary, we put you in touch with installers accustomed to this meticulous exercise. Delivery possible by our usual carrier. Quote on request.
