Romantic Miniature, 19th Century

700 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting on paper

Diameter : 9 cm

Description

Was this lovely portrait offered by this young woman to her fiancé? Unless it was the latter who commissioned a portrait of her? Whatever, this living memory captures the freshness and elegance of ladies from good families in the 19th century. Wearing an adorable feathered hat and a mauve silk dress with gauze or muslin sleeves, this young girl was certainly captured by the painter in her most beautiful youth.
