Old Miniature Pendant On Mother Of Pearl And Fine Pearls

1 600 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Description

Probable transformation of an old earring, this pendant is formed of a gold circle surmounted by a tied ribbon, which holds an openwork pattern in an oval shape which also ends in a tied ribbon. A gold cord is applied all around as well as several fasteners adorned with a fine half-pearl. In the center, in a tassel a mother-of-pearl motif is adorned with a miniature representing a small Putti. An important ring allows to pass a chain or a cord.

Period: 19th century

Main material: pink gold, 750 thousandths, 18 carats eagle's head hallmark.

Proportions: Height: approximately 5.2 cm, width: approximately 2 cm, thickness: approximately 4 mm.

Net weight: about 5.2g.

Pendant sold alone, without its presentation chain. Antique jewel - French work from the second half of the 19th century. Rear pendant mounting.

Our opinion: When an old earring finds itself alone following the passage of time, it is often interesting to give a second life to the remaining one as a pendant, as is the case for this one.
