

Dawn Of Priest To Give Mass - XIXth Century

300 EUR

Period : 19th century

Condition : Bon état

Material : Laces

Length : 140

Description

The alb has the quality of liturgical clothing because it has a role in the movement of the mass towards the Sacred unlike the cassock. Which cassock is a religious garment with a function, one could say, administrative.

Our dawn from the end of the 19th century is in good condition despite a few small tears.
