

10-piece Orangeade Service, Pitcher, 8 Glasses And Ice Bucket From The 1950s Of The 20th C

150 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Description

Lot composed of a glass carafe, its 8 glasses having the same decoration of stylized white flowers with red "accents" and an ice bucket decorated with white checks and red "accents". In very good condition, it has certainly been little used because, if it had been, the red accents would have disappeared: the red paint has not been baked on, which makes it not very resistant to washing.
