Description

Oil on canvas painting from the beginning of the 20th century between 1925 and 1930 representing a pond in the Luxembourg garden by Willem Van Hasselt. Very beautiful painting characteristic of this era of the painter. Original carved and patinated wooden frame 66 by 58 cm. Willem Van Hasselt, 1882 1963, was a painter from the post-impressionist school friend of Maurice Denis er Vuillard, elected to the Academy of Fine Arts in 1945, present at the Georges Pompidou Center and at the Museum of Fine Arts in Bordeaux and Brest. Here an interesting work typical of the palette of the painter full of serenity of calm while being animated. To report an old restoration in the sky. Possibility of sending in France and all over the world by professional carrier and by secure package.
