

Dish Center Table Porcelain And Bronze Prestige Manufacture De Sèvres Louis Phillipe 1847

750 EUR

Period : 19th century

Condition : Prévoir restauration

Material : Porcelain

Length : 37,5

Width : 35

Height : 12

Description

Very beautiful plate with its gallant scene, quality painting with worked details. Its bronze surround with its griffin feet give it a nice height and an additional value on the work and the quality of this piece. Some gaps in the gilding on the outline specified. (the LP mark with SV47 being the last used, from 1845 to 1848).
