Description

I offer you this frame representing a large triptych presented by the Galerie de France in 1989 and acquired by the National Furniture in 1990. This is (not dismantled) probably the program, leaflet of the gallery of the time (6 pages). It was therefore a tribute to freedom through the bicentenary of the French Revolution which was in full swing. Super frame in black lacquered metal embellished with a beveled cream white passe-partout.
