

Collectible Pipe

1 600 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : total 32 cm

Width : 5 cm

Description

We present this pipe from our personal collection which is an object to be classified in the so-called Judaica objects. This pipe is certainly from the latter part of the 19th century, it is exceptional and in very good condition. (E23)
