Description

Pair of 18th century Regency period armchairs in walnut wood and period petit point tapestry. Very beautiful set in excellent condition of period woodwork and tapestry such as greenery having retained all their colors with great freshness. Note some differences in sculptures, particularly at the level of the backs. Pair of seats, given their solidity, which can be used on a daily basis in an interior and also as decorative pieces. Possibility of sending to France by professional carrier and secure transport.
