Description

L. Koenig (19th century): "The Chinese musicians", watercolor 23 Dated 1875, our watercolor shows us a Chinese interior in which four musicians play and sing. How strange that this artist is not listed! Perhaps due to reduced production if it was not his main activity and he painted during his travels? Trader, soldier, ambassador, who knows? Still, it is full of life, and teeming with details taken from life, making it an extraordinary document. Do not hesitate to ask us for photos or additional information by email or telephone.
