Description

Important Art Nouveau period railing in wrought iron, original between walls, from the offices of the Grande Minoterie Joseph-Millat in Lyon. With a naturalistic decor where the curve inspired by plants dominates, this guardrail in perfect condition, restored by our blacksmith, is composed of three elements for five decorative panels and their uprights. With a height of 108 cm, excluding sealing of 8 cm, the section of the irons is 30 mm squared, the length of each pattern is 116 cm. A complementary panel of 127 cm, as is, is offered to you, our last photo. You can visit our site: www.claudeaugustin.com
