Description

Two glazed terracotta ceramics from the Desvres factory, period 1902-1905. They represent an old couple practicing begging. This production gives earthenware makers the opportunity to call on artists to create models. From the first years of the 20th century, Achille Blot created Boulonnais and Bretons at Géo Martel. This production gave earthenware makers the opportunity to call on artists to create models. From the first years of the 20th century, Achille Blot created Boulonnais and Bretons at Géo Martel. Note a small chip inside the base of the peasant woman, the crutches and the cane are made of wood.
