Description

Beautiful set of 4 solid oak chairs resting on the front on two so-called kneeling legs. These are barred in the lower part on all 4 sides. In the upper part, the belt is assembled in the front and rear legs. In the center, the seat is dark with a recessed wooden frame, touching the belt, which receives a canework in perfect condition. This chassis is removable. The so-called cathedral backrest is made up of two vertical bars. The upper part is slightly shaped like a gendarme hat. These solid and reliable chairs will seduce you with their small footprint and their sober line. ******** Period: 2nd half of the 19th century Perfect condition after restoration in our workshop. Waxed finish. Delivery possible, in France and Europe, by our partner specializing in furniture transport. Dimensions: Width: 42.5 cm
