### Description

Free Shipping Insurance Included (E-U only)

Pair of big oil lamps, 19th century

Set on a bronze four-legged pedestal decorated with plants and garlands, each lamp is made of a Gien earthenware baluster body that supports a incolored glass top tank. Body shows a Renaissance style decoration, with profiles in medallions and fantastic figures.

Very good condition, small cracks on pedestals (see pictures).

Height: 50 cm

Weight: 7,5 kg for the pair
