Bronze with brown patina signed on the terrace by the French sculptor R.Guillaume (20th century). This sculpture, full of lightness, features a child sitting on a rock with a smile on his lips and eyes brimming with mischief. The young boy, shirtless and wearing Bermuda shorts, dips his landing net into the water. This bucolic work will appeal to older children, recalling the time when games and discovery were closely linked.

***** Period: XX Excellent condition.
