Henri Picard prestigious founder and gilder of the
19th century,

Picard renowned for the casting and gilding of
decorative objects of very high production
quality. Picard worked for the Defreville firm,
and collaborated with designers of his time such
as Charles Perrault and Grault. He received
commissions from many important patrons,
including Napoleon III

He created the gilding that adorns his apartments
at the Palais du Louvre as well as decorative
objects such as centerpieces, candelabras, wall
lights and fireplace trims. ...still visible in the
Palais du Louvre apartment.
